Edenhope & District Memorial Hospital

*Celebrating 100 years of local
Hospital Services*

20th November, 2010

This year Edenhope is celebrating 100 years of local Hospital services to the community.

EDMH cordially invites all past staff, board members, Doctors and friends of the Hospital to join us to reminisce and celebrate our health service.

This is an important opportunity to look back over our proud history and successes over the years, and to look forward to the future growth and development of Edenhope and District Memorial Hospital.

Memorabilia Display

A collection of photos and stories collated by the Edenhope Historical Society, in addition to various items and memorabilia loaned by staff and the community will be on display at the Edenhope Show on Saturday 20th and Sunday 21st November.

If you have items that you would be happy to loan to the Hospital for the display, please contact Sharon Hinch on 03 5585 9806.

Gala Evening and Reunion

The celebration of 100 years of health services in Edenhope will culminate in a gala evening held at the Edenhope Race Club on Saturday, 20th November 2010.

This is a fantastic opportunity to meet with friends and current or past workmates, and reminisce of times past and to celebrate today.

Included in the event is a three course dinner provided by the esteemed Edenhope College Teen Cuisine team, and live music provided by the popular Hoody & Fab.

Drinks are available at bar prices. No BYO.

The event will open at 6.30pm for a 7.00pm start.

A bus service to the Edenhope Race Club will be available by gold coin donation from 6.30pm at the Shire Council building. Continuous return trips will run from 11pm to 1am.

All friends of the Hospital are welcome, so if you know of someone who did not receive an invitation but would like to come, please contact Sharon Hinch on 03 5585 9806 with relevant contact details.
